

Resident Gratitude Rewards Program

It's great having people you know in your community, and being around neighbors that you enjoy!

We would like to present to all of our home owners the introduction of the Tuscan Village Gratitude Rewards Program. This is our way of showing appreciation to a resident and thanking them for their support in growing our community. The resident would be recognized with this reward *only* when their *registered* guest buys and closes on a new home in our community. *Registration is required prior to their first visit at Tuscan Village.*

We encourage all residents to recommend their friends, relatives and acquaintances to become a new neighbor and friend at Tuscan Village. For every friend, relative or acquaintance who purchases and closes on a new home, you will earn \$1500 in HOA credit and as an added bonus; the new buyer will receive \$1500 credit in FREE upgrades. A win-win for everyone!!!! *There is no limit to the number of friends, relatives or acquaintances allowed!*

The HOA credit can be used on any of the following:

- HOA Monthly Fee
- Water Aerobic Classes, Yoga classes
- Any fee based activities sponsored through the HOA!!!

It's easy!!!!

Good friends make great neighbors!

Rewards have never been so easy or fun!

Your friends will thank you for it!

WE will thank you for it too!
